The Team Manager will pay special attention to:

- Overall performance throughout the year and readiness to compete at CH-W in October
- Show jumping (at Le Lion this is very influential)

These following shows can be good shows for horses in the build up to Le Lion:

- CCI Orp Le Grand → 01-03/05
- CCI Arville → 9-12/07
- CCN Nokere → 01-02/08 → Belgian Championship

None of these shows are compulsory. If you have questions about where to compete and how certain shows are to be expected, you can contact the Team Manager.

For those aiming to qualify a young horse for the World Championships in Le Lion d'Angers this year, the Team Manager would like to highlight an important point regarding the selection process.

It is very likely – and even more relevant this year than in previous seasons – that horses must have sufficient international results, in particular FEI ranking points. In case of excessive entries, the organizer may apply a ballot procedure based on the FEI ranking.

Therefore, it is essential that all horses have accumulated enough FEI points to avoid any risk of being excluded through the ballot system.

Please take this into consideration when planning your competition schedule for the season.

The riders who are candidate to participate at the World Championship need to be proactive:

- Send a mail to the Team Manager (ksmeventing@aol.com) & Sport Director (wendy@equibel.be) with the confirmation they are interested in participating at Le Lion. **The deadline to do this is before CCN Nokere. So 1/08 is the deadline.**
- Enter their candidature for Le Lion on www.equibel.be when the show is "open for candidatures"
- Send videos to the Team Manager of the horse in competition.

The Team Manager will present his proposal of selection to the Topsportcel (senior eventing) for approval. The definite selection will be communicated in the 10 days before the nominative entries.
